Event Guide 2022

Teacher Care Packages

Reinvented Inc. is working to create 300 teacher care packages in an effort to support teachers at the start of a difficult school year. We recognize that many teachers have been working extremely hard to put together classroom materials during these times -- often forgetting about their own needs. We have planned out these care packages to help these hardworking teachers remember self-care. We are partnering with L3Harris Technologies' WE3 (Women's ERG) for their Lots of Latte fundraiser to sponsor all 300 care packages.

Nominate

You can either scan the QR code on this page or visit Reinvented's website mentioned on the previous page and click 'Nominate' at the top to be brought to the nomination form.

Make a Bookmark

Last year, thanks to the help of We3, we were able to give each teacher a handmade book mark in their care package. We hope to be able to do the same this year. Visit the L3Harris LIFT Portal and search 'We3 ERG Bookmark Making' to learn more about how you can get involved in this LIFT event.
