

## Dear Community Leader,

On Saturday, November 5th, 2022 Reinvented inc. will play host to hundreds of guests at our first ever **Celebration of Women in STEM** event. The event will take place at the iconic Kennedy Space Center and will feature music, maker activities, fabulous local beer and wine, and dinner. Attendees will have the opportunity to see the impact of our mission and mix and mingle with the amazing women in STEM who we celebrate and empower through our work. We will also be honoring a few women in STEM and diversity leaders for their efforts to 'reinvent' STEM fields.

We recognize that many of your staff and clients deeply value the need for greater diversity and representation in STEM fields. From sharing the stories and experiences of groundbreaking ladies in the field to reporting the latest news in science and technology, we are working to pave the way for future generations of women to become leading pioneers of STEM. At our Celebration of Women in STEM we hope to raise \$30,000 to continue our work creating the female STEM leaders of tomorrow.

You can help us achieve our goal by supporting this exciting event. We anticipate nearly 200 attendees and substantial marketing and media exposure. This year's sponsors will benefit from over 40,000 media impressions through print, online, and social media outlets. Your tax-deductible sponsorship entitles you to many choices of benefits which include recognition in our marketing materials and ticket packages you can use for your important clients or treat your staff to a memorable night out.

The amount you give is completely up to you. We hope you will consider becoming a sponsor in one of our four featured opportunities:

- Galaxy Sponsor - \$5,000
- Nebula Sponsor - \$2,500
- Star Sponsor - \$1,200
- Asteroid Sponsor - \$600

More information about the benefits of each level is enclosed.

If you are interested in becoming a sponsor, please contact us so that we can find the right level of support for you. Feel free to call or email with any additional questions. Thank you for your time.
